

Trainer's EDGE

Who Should Attend

This course is required for staff members of Buckskin Trail and Wood Badge, and is also required for members of the District training teams and Pack Trainers. It is strongly recommended for any Scout leader who wants to improve his or her training skills, or for whom training of youth or adults is their primary responsibility. That would include virtually all Scout leaders

Dear Participant:

We are glad you are interested in the Miami Valley Council's Trainer's EDGE Course! The purpose of the Trainer's EDGE course is to provide and help develop the platform skills of a trainer and is meant to supplement the practice that is offered through Wood Badge, Buckskin Trail and NYLT staff development. You will have the opportunity to give several presentations during the day.

Precourse Preparation: Please prepare a 10 to 12 minute presentation on a topic from any BSA material. Your presentation should allow you to demonstrate the skills of a trainer. You will receive constructive feedback on your presentation from the other participants. You may use any media you would like, but you must bring any and all equipment for your presentation with you.
